## Huebsch

### 50 & 75 lb Coin-Operated Extra Large Capacity Drying Tumblers

*Huebsch understands that getting increased use of your large washers can be a big boost to your laundry's bottom line. Our **EXTRA LARGE** capacity 50lb and 75lb drying tumblers can handle your customer's biggest wash loads with ease.*

***BIG DRYERS**, like big washers, are terrific for items like comforters and sleeping bags, which can help you attract more customers. They are real **business builders!***

*Serving the Laundry Industry For Over 90 Years*

# 50 & 75 lb Coin-Operated Drying Tumbler Specifications

## Your Choice of Controls

or

### Programmable Electronic Control—

with vend price display and time count down

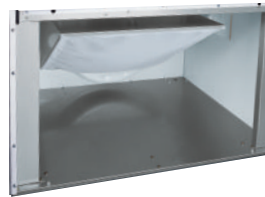

### Electromechanical Control—

with rotary coin drop

Our **super large** reversible doors are constructed of top-quality **stainless steel** to stand-up to the use in the toughest laundry environments. Many others use plastic for this important part, not Huebsch!

Huebsch tumblers feature a **self-cleaning lint screen** made of fine mesh. Lint is deposited into a large storage area for easy removal. This helps maintain maximum airflow and promotes fast, efficient drying.

## Construction & Features

Huebsch dryers feature an **all belt drive system** with a self adjusting tension idler. The drive system is constructed with metal pulleys and permanently sealed bearings for super quiet operation and low maintenance.

## Additional Features

- Galvanized steel cylinder for long life
- Optional bright annealed stainless steel cylinder
- Optional stainless steel front panel
- Integrated motor overload protection
- Embossed steel cabinet for easy cleaning
- All major components easily accessible
- High temperature limit control
